Alabama Nature Center

Immerse yourself in the great outdoors by visiting the Alabama Nature Center (ANC) located on the beautiful Lanark Estate in Millbrook. Operated by the Alabama Wildlife Federation, our state's oldest and largest non-profit conservation organization, the ANC is a planned-use outdoor education facility offering hands-on, outdoor-based educational programs and activities with plenty of outdoor recreational opportunities for the general public too. The NaturePlex is a 23,000 square foot heated and cooled structure designed to fit into the natural surroundings of the property, and includes a theater, hands-on Discovery Hall with interactive and visual displays, and a gift shop. On your visit, be sure to explore the 350 acres of striking forests, fields, streams, gardens and ponds on the property by hiking the boardwalks and trails. The Alabama Nature Center is open to the general public Monday through Saturday, 9:00 am to 5:00 pm.

HGTV "Home Town Takeover – Where Are They Now?"

Following Wetumpka's experience with HGTV's 'Home Town Takeover', producers of the show wanted to do a follow-up episode highlighting a neighboring community that was undergoing its own makeover. In 2021, "Home Town Takeover, Where are they Now?" highlighted Millbrook's own remodeled Kingdom Dough donut shop, beautification efforts in the Village Green Park, and the creation of the city's first mural, "Greetings from Millbrook," which can be viewed along the southern entrance to the town.

Jackson Lake Island

Located on the south side of Millbrook, this privately owned attraction features winding hiking trails, canoeing, camping, and fishing. Visitors will be enchanted by the resident goats that frolic and play in and around the fictional town of Spectre, site of the 2003 Hollywood cult classic, "Big Fish," directed by Tim Burton and starring Ewan McGregor and Jessica Lange. Wildlife enthusiasts will enjoy the unique and mysterious views of the lake, home to hundreds of ducks and turtles.

Millbrook Community Players

The Millbrook Community Players was created to give individuals from the area an opportunity to showcase their talent and to bring family entertainment to the Millbrook community. Founded in 2006, the Players stage their productions out of the historic and refurbished Robinson Springs Elementary School, which was built in the 1920's. From beloved classics like Arsenic and Old Lace and Hello Dolly, to children's favorites such as Willy Wonka and The Adventures of Peter Rabbit, The Millbrook Community Players offer exceptional performance art with a hometown feel.

Millbrook Murals

After the buzz of HGTV and the unveiling of the City's first mural, "Greetings from Millbrook," city leadership joined forces with the Millbrook Area Chamber of Commerce to develop a Mural Grant Program. The program encouraged local businesses to partner with local artists to tell the story of the community through art. This program led to the creation of four additional murals across the city, all of which are catalogued on the Alabama Mural Trail, a project of the University of Alabama.

Millbrook Mardi Gras Festival & Parade

Proclaimed "the largest Mardi Gras celebration north of Mobile," the Millbrook Mardi Gras Festival and Parade is host to over 15,000 visitors each year. This family friendly event is put on by the Millbrook Revelers and boasts more than 60 vendors from Tennessee, Georgia, Mississippi, Florida, and of course the State of Alabama. There are pony rides, a water walker, a climbing wall, and a zip line for children, along with just about any kind of food imaginable. Festival goers can be treated to such traditional Cajun fare as alligator on a stick, gumbo, red beans and rice, smoked turkey legs and so much more. With something for everyone, the Millbrook Mardi Gras Festival & Parade really knows how to "Laissez les bons temps rouler" in Elmore County.

The Art Mill

Opened in February 2023, The Art Mill was developed by the city as a home to display the talents of local, regional, and national artists, as well as to provide art classes in a variety of mediums to individuals of all ages and abilities. Managed by the City's Cultural Arts & Special Events Department, the Art Mill is a place of creativity and beauty right in the heart of Millbrook.

The Pines Golf Course

The 18-hole "Pines" course at the Pines Golf Club in Millbrook is a city-owned facility featuring 6,318 yards of golf from the longest tees for a par of 72. The course rating is 68.5 and it has a slope rating of 113 on Bermuda grass. Golf at the Pines is a terrific choice for your regular rounds of golf or a new destination for you and friends when visiting Millbrook.

The Village Green

Located on the Main Street in downtown Millbrook, the Village Green is a municipal park and focal point of the community where locals and visitors come together to enjoy a variety of events throughout the year, such as arts and craft festivals and concerts. The ¼ mile tree-lined walking path, the iconic Leyburn Memorial Gazebo and beautiful meandering Mill Creek are favorite features of the park. Take one of the foot bridges across the creek to connect with Kids' Kingdom, a custom-built wooden playground sure to provide loads of entertainment for the little ones.

17 Springs and Pickleball

17 Springs, home of the Alabama State Games' inaugural Dinklebells Pickleball Tournament, is a massive multi-sports complex located on Alabama Highway 14 in Millbrook. The first phase of the project is complete and features 12 outdoor hard courts dedicated for pickleball play, 12 outdoor hard courts for tennis play and four multi-purpose fields designed for soccer and football. Amenities include lights, restrooms and water bottle filling stations. Pickleball and tennis play is free to the general public. Phase II of 17 Springs is under construction and will feature an 86,000 square foot event center, six diamond fields for softball and little league baseball, and a stadium with competitive field and track facilities. So stay tuned, Phase II comes on line in early 2025.
